

Prevent Zoonoses

S

Remember W.A.S.H.

SAFETY

FOR PEOPLE

Use personal protection

- Wear gloves when cleaning items in animal areas, especially feces and manure
- Use insect repellent and wear long sleeves/long pants when outdoors or in wooded areas

Prepare food safely

- Cook meats to the proper temperature
- Avoid raw or unpasteurized milk or dairy products
- Wash raw fruits and vegetables before eating

FOR PETS

Protect your pets from disease

- Talk with your veterinarian about flea and tick prevention products for your pet
- Keep your pet's vaccinations current

FOR LIVESTOCK/POULTRY

Protect your livestock and poultry from disease

- Talk with your veterinarian about vaccines and parasite control for your animals
- Learn about biosecurity measures to take on your farm to prevent disease entry and spread

For more information, talk with your veterinarian and visit www.cfsph.iastate.edu/zoonoses
